# Aleksander Savtsenko

IT Student | Web Development

Tallinn, Harjumaa, Estonia

## Summary

I am a 4th-year student at Tallinn Polytechnic, specializing in IT. I have basic knowledge in web development (HTML, CSS, JavaScript), system administration, and database management (SQL). I have experience in creating and customizing simple web applications and websites. Currently, I am focused on improving my web development skills. Additionally, I am actively enhancing my English and Estonian language proficiency.

---
